ABOUT SAUDI INDUSTRIAL

Welcome to Saudi Industrial Support Services, your trusted partner for ensuring seamless operations in various business sectors including construction, manufacturing, warehousing and logistics.

We have four divisions offering crucial services to assist Saudi businesses. Each division has its own dedicated team of professionals, its own market share and contributes towards strengthening the division & company presence in Saudi Arabia.

Our mission is to provide better service than competitors, at most affordable price to gain volumes of business; from one platform. We strive to act as our customers' partners not vendors.

Services Being Offered By Each Division:

- MH Equipment & Generators – Repair & Maintenance
- Equipment and Generators – Rental and Trade
- Diesel Pump Laboratory – Sales & Repair
- Steel Fabrication Works
